

## C.H.E.W. AWARD **Character, Helpful, Excellence, and Work**

All too often, individuals undertake a task that may seem as if they have “bit off more than they can chew”. Many find, however, they rise to meet and exceed the task at hand. This award recognizes exceptional scout volunteers who have risen to the occasion in their units to perform an extraordinary service to the unit to build **Character**, provide **Helpfulness**, encourage **Excellence** and demonstrate a high **Work** ethic by outstanding example to their fellow Scouters and the Scouts they serve.

Every Unit receives 2 nominations, units that have 50-99 youth members are entitled to an additional nomination, and Units with 100 or more youth members are allowed a total of 4 nominations.

There is no tenure requirement for this award, but your unit committee **MUST** approve and submit the nomination.

**Nominations must be completed and submitted to the District Awards and Recognition Chairman by January 10th. Send nominations to [advancement@westparkdistrict.org](mailto:advancement@westparkdistrict.org)**
